

Lankesteriana barbulata* (Lindl.) Karremans, *comb. nov.

Bas. *Pleurothallis barbulata* Lindl. Folia Orch. Pleurothallis 40. 1859. Replacement name for *P. barbata* H.Focke, 1853.

Note: *Specklinia pereziana* Kolan. published in 2011 from Colombia, is virtually indistinguishable from *Lankesteriana barbulata*, a common, widely distributed, variable species with several heterotypic synonyms. As *L. barbulata* was not even mentioned by the author there is no evidence to separate the two.
